

UK Seminar 2023: Agenda

We are looking forward to being back at the beautiful London Wetland Centre ([Queen Elizabeth Walk, London SW13 9WT](#)) for our annual Seminar, with the theme *Transparency: an Open Book*. We'll explore the increasing expectations on companies to gather, share and disclose information on their sustainability impacts across the value chain. There will also be opportunities to catch-up and network with representatives from the publishers, pulp & paper mills, printers, and NGOs involved in the BCP.
